The Udiavara Panchayat Board in Udipi taluk in its Resolution No.14 dated 18.9.1936 has proposed to open a ferry at Kote in Udiavar village as it will serve the public of Udiavara and neighbouring villages. This paper was forwarded to the District Board Engineer South Kanara, for his opinion and for furnishing Revenue Sketch of the plot proposed for opening of the ferry. The District Board Engineer reported that the opening of the proposed new ferry would not in any way interfere with the interests of any of the existing ferries. 2. I have therefore the honour to request that Government may be pleased to declare under Section 8 of Canals and Public Ferries Act that the ferry at Kote in Udiavara Panchayat Board limits in Udipi taluk in South Kanara Dist. may be declared a public ferry with effect from 1-4-1938. subject to the provisions of the Act and to assign the management thereof to the Panchayat Board.

3. The limits of the ferry may be defined as proposed in the enclosed notification. The scale of tolls specified in the draft notification under Section 10 of the Act is based on the rates sanctioned for similar

ferries in the District published on pages 910 and 911 of the Fort St.George Gazette dated 24 th May 1932. ~~Not furnished~~

A statement showing the information to be furnished as per Collector's D.Dis.4723-36 dated 10-9-1936. Not furnished is also enclosed.
